

# DANZANTES UNIDOS FESTIVAL 2023

# "BAILAR ES VIVIR"

MARCH 31, APRIL 1 & 2

FRESNO, CA

IN MEMORIAM  
JUANA SALUDADO

# BIENVENIDOS DANZANTES UNIDOS!

Welcome to the 44th anniversary of the Danzantes Unidos Festival! As we set our sights on preparing for our 45th Anniversary, we would like to thank you all for sharing in the vision of Danzantes Unidos: in building a community of friendship and culture, instilling pride in our children, and making our young dancers proud of their culture and have confidence within themselves. We have had the opportunity of watching young children grow within our festival. Although they have become great dancers, teachers, and directors, and attended universities to pursue professional careers, they did not forget their roots and community. In our special case, one of those youth is now our youngest Board President ever. Yay, but first . . .

Our theme this year--"Bailar Es Vivir"--was coined by former Board Member representing the Central Valley and Showcase Concert Director, Juana Saludado, at her last board meeting with us in the Fall. This festival will be dedicated to her memory. This week another former Board Member representing the San Francisco Bay Area and Membership Chair for many years is in transition from the same dreadful cancer. We beg you to connect with stomach cancer awareness sites and donate toward the research for early intervention and eradication. We invite you to visit the DUF Ofrenda and leave a memory or message to surviving family members. In the end, the way we spend our time on earth is what others will celebrate us for.

And we have much to celebrate today as we slowly return from this world-wide pandemic. With over 1100 participants, we will soon find our way back to our new normal. Within the organization, we elders prepare to move on and new leadership blooms. I'd like to give a hearty welcome to our very own homegrown Board President, Dr. Raul Gonzalez. Since joining the festival as a young volunteer, he has steadily taken on more and more leadership responsibility. We are so very proud of him and hope that you will extend him congratulations for all of his recent professional accomplishments and personal growth.

In closing, we would like to give a heartfelt thanks and a big abrazo to our hardworking Danzantes Unidos Festival Production Team, DU Board Members, and volunteers from Compañía de Danza El Sol and Sunnyside Danzantes. Thank you for your hard work and support! We would also like to thank Principal Michele Anderson and Debra Hawkins of the Student Leadership Class for their strong support in hosting the festival at Sunnyside High School, and especially to Maestra Denise Valdez and the folklórico program for hosting us in this venue.

Maria Luisa Colmenarez  
Executive Director

## DUF BOARD OF DIRECTORS
